## BECOME AN ACE ANNUAL SPONSOR!

Support the ACE Mentor Program of Greater Philadelphia as an Annual Sponsor! With your support, we can continue to help students explore a multitude of A/E/C career opportunities - from professional college career paths to those in the building trades – and provide scholarships to graduating seniors to help them continue their journey in the A/E/C industry.

The ACE Mentor Program of Greater Philadelphia is the local affiliate of a national non-profit organization. An acronym for Architecture, Construction, and Engineering, ACE engages, excites, and enlightens high school students to consider or pursue careers in the integrated construction industry through mentoring, scholarships, and professional support. Students are recruited from public and private high schools in the Greater Philadelphia Region, with special effort made to reach populations traditionally underrepresented in the industry.
